SCKLS Assistive Technology Support Policy

The South Central Kansas Library System (SCKLS) provides limited support, to its membership, for select assistive technologies that have been purchased through SCKLS. These supported assistive technologies include:

- o Dell touchscreen monitor
- o Dell curved monitor
- o Large print high contrast keyboard
- o Ergonomic mouse

More information about these items can be found on the SCKLS Standard Configuration page.

SCKLS will not install or support assistive technology not included in the above list. SCKLS may provide information and General Technology Grant funds for other assistive technologies, such as:

- o Screen reading software such as Jaws and NVDA
- o Text enlarging software such as Zoom text
- o Monitors, keyboards, and mice not listed on the SCKLS Standard Configuration page

Questions regarding this policy should be directed to one of the following SCKLS staff:

a. SCKLS Director of Information Technology
b. SCKLS Automation and Technology Services Coordinator
