## **Section II, Service and Programs**

### **SCKLS Mission Statement**

The mission of the South Central Kansas Library System is to assist member libraries to provide excellent service to their communities. SCKLS provides grants, consulting, continuing education and cost-effective support services to its member libraries.

### **SCKLS Goals and Objectives**

The general goals of SCKLS are as follows:

- 1. Facilitate access for all SCKLS residents to library resources and services.**
- 2. Provide assistance in the continuous development of each member library.**
- 3. Encourage and assist interlibrary cooperation and resource sharing.**

SCKLS completed a system-wide planning process in 2002. Since October 2003 the following recommendations from the System Study Implementation Committee and Executive Committee have been accomplished:

- 1) Updated the SCKLS Bylaws (2003)**
- 2) Employed a full time System Director (2004)**
- 3) Service Improvements: (2004—2006)**

#### **a) Technology Support Specialist (2004)**

Restructured half-time Graphic Arts position into a full-time Technology Support Specialist position. This position provides phone support to member libraries for basic computer troubleshooting, assists SCKLS staff with computer troubleshooting and training, maintains the SCKLS website and produces communications and other information for member libraries.

#### **b) Administrative Support Specialist (2004)**

Restructured temporary bookkeeping position into a full-time Administrative Support Specialist position. This position provides accounting, payroll and human resources support, administrative and executive committee support and manages supplies and billing.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs**

### **c) Interlibrary Loan (2005)**

Ended \$93,891 interlibrary loan services contract with Hutchinson Public Library and absorbed interlibrary loan duties into an existing SCKLS Cataloging / Interlibrary Loan position.

### **d) Processing Services (2005)**

Eliminated full-time acquisitions services position and transferred duties into an existing Processing / Outreach Specialist position.

### **e) New Training Facility and Offices (2005—2006)**

Completed lease-purchase agreement for 13,400 square foot training facility and offices at 321 North Main, South Hutchinson. Relocated to new facility and developed infrastructure to support expanded SCKLS training and meeting services. Remodeled and subleased 3,130 square feet of building to Odyssey Health Care, Inc.

### **f) Talking Books (2005)**

Ended contract as of September 30, 2005 with Kansas State Library, Topeka for Talking Books Subregional Library. Facilitated transfer of service to Kansas State Talking Books Regional Library, Emporia.

### **g) Rotating Books (2005)**

Evaluated Rotating Book service and conducted user survey that indicated 92% of respondents rated the service as “excellent.” Suggestions for improvement from the user survey will be incorporated into the service during 2006—2007. Plans for 2006 include the construction of a 1,000 square foot garage to park the delivery van and an additional SCKLS work vehicle.

### **h) Establish SCKLS Foundation (2006)**

In 2006, SCKLS will establish a non-profit library foundation. The purpose of the South Central Kansas Library System Foundation will be to promote, enhance and support the programs and services of libraries and library organizations in the SCKLS service area and to operate as an official Internal Revenue Code 501 (c) 3 organization.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs**

### **i) Develop Basic Skills Certification Program (2006)**

In 2006, SCKLS will develop a comprehensive basic training certificate program for new librarians and staff. The SCKLS Basic Skills Certificate Program will compliment any core competencies program eventually established by the State Library of Kansas, Topeka.

### **j) Provide Summer Reading Program Grants (2006)**

In 2006, SCKLS will provide each member public library and school district that delivers an annual Summer Reading Program with a grant of \$100 to help defray costs associated with the service.

### **k) Implement Needs Assessment Recommendations (2006)**

During January and February of 2006, SCKLS conducted a needs assessment of its 158 member public, academic, school and special libraries. **Ninety-four per cent of the 110 respondents gave an overall rating to SCKLS services as “excellent”**; 6% said “good”; and no respondents rated SCKLS as “needs improvement.” Individual recommendations for specific service improvements from the needs assessment have been incorporated into the 2007 SCKLS Annual Plan and included in an ongoing program for improvement of SCKLS services.

### **l) Develop Grant-in-aid Study Recommendations (2006—2007)**

Beginning in Fall 2006, a five-member subcommittee of the SCKLS Executive Committee will examine the grant-in-aid program and prepare recommendations for consideration in the 2008 SCKLS Annual Plan.

In 2007 and based on its 2006 Needs Assessment of Member Libraries, SCKLS will continue to examine and improve services as well as consider new services to support its member public, school, academic and special libraries. In addition, the following service goals will be implemented:

#### **1) Special Projects Librarian and Library Technology Intern**

Since the 2006 Needs Assessment did not warrant the creation of any permanent full-time or part-time positions, salary budgeted for an open position will be allocated to the temporary Special Projects Librarian and a new Library Technology Internship. The Special Projects Librarian has been responsible for cataloging and organizing the Professional Collection, providing support for the 2006 Summer Reading Program and compiling the 2006 SCKLS Directory. The position will continue to perform special project duties as needed. A Library Technology

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs**

Internship has been established. The intern is enrolled as a graduate student at the Emporia State University School of Library and Information Management and will assist SCKLS on a part-time basis with various technology-related projects and programs.

### **2) Increase Funding for Automation & Technology Matching Grants**

Applications for Automation Matching Grants increased 123% in 2004 and 173% in 2005. General Technology Matching Grant applications have also increased. SCKLS will double the amount of funds available in the Automation Matching Grants to \$50,000 and increase General Technology Matching Grants by \$5,000.

### **3) Develop An Annual Public Information and Marketing Plan**

Develop and formalize an annual marketing plan to inform member libraries about SCKLS and its services as well provide standard media releases about SCKLS and its programs to the public.

### **4) Increase Support Services to School District Member Libraries**

Continuing education opportunities and support services related to weeding and collection development will be increased to better serve school district member libraries.

### **5) Evaluate Technical Services**

Further evaluate and improve services to member libraries for interlibrary loan, cataloging, ordering, supplies and vendor discounts.

### **6) Begin New Five-Year Evaluation of SCKLS Services**

At the end of 2007, five years after its first comprehensive survey of SCKLS members, SCKLS will again conduct an evaluation process of services. SCKLS is committed to evaluating existing services, examining and implementing new services to meet the needs of member libraries and continually improving its services and organization. SCKLS uses a process of open communication and problem-solving with member libraries and staff to create transitions in service and organizational structure.

Staff also refer to third party technical resources in conjunction with the above mentioned services and assist with third party price negotiations for computer hardware and software purchases. Issues and programs related to Kan-ed and Kan-safe will be facilitated by the Automation / Technology Coordinator.

Technology Grant programs are available to assist member libraries with the acquisition of hardware/software upgrades, new technologies and/or automation projects as defined by current grant guidelines. Technology grants programs include Technology Matching and Automation Matching. Continuing education services include a mobile training lab for on-site customized training for SCKLS member librarians.

**Staff and Resources:** One full-time Automation / Technology Coordinator; one full-time Automation / Technology Consultant and one full-time Technology Support Specialist and one half-time Library Technology Intern. Online resources include the SCKLS website <http://www.sckls.info> for access to various SCKLS training, tutorials, continuing education, Internet links, grant applications and other information. An electronic mail list has also been established to further communication among SCKLS members.

**Service Guidelines:** SCKLS technology consultants provide consulting, facilitate evaluation and purchase of equipment and make referrals to other resources when appropriate. SCKLS provides member libraries matching technology grants subject to guidelines and availability of funds. SCKLS provides phone access and referral to next level technical assistance for member libraries.

**Member responsibilities:** Member libraries who need assistance in any of the previous areas should contact the SCKLS Automation / Technology staff as outlined in the above "Definition of service." The Automation and Technology staff will attempt to resolve the query by phone, e-mail, in person or through referrals to appropriate resources. Computer troubleshooting phone assistance is available during the hours of Monday through Friday, 8:00 a.m. to 5:00 p.m. from the Technology Support Specialist. Member libraries are encouraged to apply for technology matching grants.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs**

### **Consultant Services**

**Definition of service:** SCKLS consultant services include both general and specialized services. SCKLS consultants provide expertise in the following areas: budget, governance, human resource issues, management, planning, evaluation, policies, collection development, programming, children and youth, technology issues and traditional and emerging library services.

**Staff and resources:** The Director, Automation / Technology Coordinator and Consultant, Continuing Education Coordinator and Youth Services Consultant are responsible for providing services to member libraries. The consultants collaborate with each other to provide improved service.

### **Continuing Education**

**Definition of service:** SCKLS member librarians, trustees, Friends and volunteers can participate in a wide range of workshops and training programs. Workshops are offered each year on a variety of topics. Basic skills such as book mending are reviewed periodically. Topics dealing with trends and innovations in librarianship are also covered. New librarians receive an on-site orientation to SCKLS services from the Continuing Education Coordinator. The Director provides orientation and training for new public library trustees. Staff provide additional training in their areas of expertise as requested. A Continuing Education Committee advises the CE Coordinator. The Special Projects Librarian works in cooperation with the CE Coordinator and Director.

Hallmarks of the annual SCKLS continuing education program include the following:

**Public Library Funding and Budget Workshops**  
**Quarterly Book Discussions for Member Librarians**  
**Children's Summer Reading Program**  
**Technology Training Day held at Friends University**

In 2006, SCKLS will initiate a new Basic Skills Certification Program for interested member librarians and staff. To encourage participation in continuing education activities other than those offered by SCKLS, Continuing Education Reimbursement Grants of up to \$750 per member librarian per year help pay registration and tuition costs. Eligibility for the program is open to all member libraries subject to grant guidelines.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs, (Continuing Education)**

**Staff and resources:** The full-time CE Coordinator, with the assistance of the consultants and staff, is responsible for development and implementation of the SCKLS continuing education program.

**Service guidelines:** SCKLS fosters a culture of continuous learning. SCKLS routinely surveys the continuing education needs of member libraries and develops programs to meet these needs. SCKLS encourages and supports participation in continuing education programs offered for public, academic, school and special library members as well as those for public library trustees and Friends of libraries.

**Member responsibilities:** Library staff, trustees, Friends and volunteers are encouraged to participate in continuing education and use the SCKLS CE Grant Reimbursement program. Paid training time and recognition of CE participation by library employees is encouraged by SCKLS.

### **Facility**

**Definition of Service:** The SCKLS facility offers a large training and meeting room that seats 40-60 as well as two small meeting rooms that seat 16 each. One of the small meeting rooms is equipped for videoconferencing and as a computer training lab. The other small meeting room is suitable for board and planning meetings. SCKLS member libraries and library-related groups are encouraged to use the SCKLS facility free-of-charge for meetings and training.

**Staff and resources:** The CE Coordinator and Administrative Support Specialist coordinate and schedule use of the three meeting and training rooms.

**Service guidelines:** SCKLS member libraries and library-related groups may use the SCKLS facility for meetings and training. SCKLS will assist in coordinating refreshments and catering for meetings.

**Member responsibilities:** Member libraries and library-related groups are encouraged to schedule meetings and trainings at the SCKLS facility. SCKLS reserves the right of meeting room use for SCKLS-sponsored events.

### **Grants-in-Aid**

**Definition of service:** Major funding for services and programs of the South Central Kansas Library System comes from a tax on all property outside of established public library districts in Barber, Butler, Cowley, Harper, Harvey, Kingman, McPherson, Reno, Rice, Sedgwick, Stafford and Sumner counties. The SCKLS Grant-in-Aid program partially compensates the 72 public library members of SCKLS for services they provide to registered library borrowers who are not residents of their public library tax district. In the case of the eligible 17 academic library members of SCKLS, the Grant-in-Aid program

# SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007

## Section II, Service and Programs (Grants-in-Aid)

compensates them for registered library borrowers who are not enrolled as students or who are not employees of their institution. School and special libraries are not eligible for grants-in-aid since these libraries serve fewer users outside of their school or institution.

Three factors comprise the formula for the distribution of grants-in-aid to 72 public and 17 eligible academic member libraries:

- (1) a base grant calculated from the population of the library's service area
- (2) a supplemental grant calculated on the basis of the number of registered borrowers outside the library's taxing district or academic institution, and
- (3) a supplemental grant calculated on the number of interlibrary loans provided to other libraries.

**Staff and resources:** The Director administers the grants-in-aid program.

**Service guidelines:** Detailed information regarding the grants-in-aid program are outlined on the SCKLS website. SCKLS service population categories and base grants are as follows:

<u>Category</u>	<u>Population</u>	<u>Base Grant</u>
Gateway	Fewer than 500 service population	\$ 2,530
Linking	500 – 1,000 service population	\$ 3,650
Service Center	1,001 – 2500 service population	\$ 4,345
Major Service Center I	2,501- 10,000 service population	\$ 6,210
Major Service Center II	10,001 – 25,000 service population	\$12,686
Major Resource Center I	25,001 – 100,000 service population	\$37,439
Major Resource Center II	More than 100,000 service population	\$60,974

After base grants are calculated, the amount of funds remaining from the total grants-in-aid budget for the year are calculated as supplemental grants. Supplemental grants are calculated on the basis of the number of registered borrowers outside the library's taxing district or academic institution and the annual number of interlibrary loans a library has provided to other libraries. SCKLS recommends grants-in-aid be spent by the end of the calendar year in which they are received.

**Member responsibilities:** As a condition for SCKLS membership, participating libraries agree to provide a free library card and free interlibrary loan services, subject to local borrowing rules, to any individual who requests them and who lives within the 12 county region of SCKLS. Member libraries agree to remove inactive borrower registration records every three years. Members are responsible to spend funds according to guidelines and to complete such reports as may be required by SCKLS and the Kansas State Library.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs**

### **Interlibrary Loan**

**Definition of service:** Interlibrary loan is the state and nation-wide sharing of library materials. Subject to local borrowing rules, a resident of the 12-county SCKLS taxing area may initiate an interlibrary loan request free-of-charge from any SCKLS member library. State and nation-wide sharing of library materials is made possible through the Online Center for Library Cataloging (OCLC), Kansas Library Catalog (KLC), Kansas Information Circuit Network (KICNET).

The KLC, a statewide catalog of library holdings, is used to locate materials that are available in Kansas. The OCLC system is also used to locate materials nationwide for member libraries.

SCKLS maintains a Professional Collection, Children's Preview Collection and Book Discussion Collection for use by member libraries. The Professional Collection and Book Discussion Collections are available through interlibrary loan.

**Staff and resources:** SCKLS provides one half-time position and access to OCLC and KICNET for member libraries that do not have access to these services. In 2005, SCKLS established funding for a matching grant program to assist member libraries to purchase multiple titles of books used in adult and children's book discussion programs. The grants are administered by the Continuing Education Coordinator.

**Service guidelines:** SCKLS provides interlibrary loan services and encourages resource sharing among all libraries. SCKLS offers training and support for the delivery of these services to each member library. SCKLS provides grants-in-aid to SCKLS member public and academic libraries to assist in the partial reimbursement of providing interlibrary loan service to borrowers outside of their taxing district or academic institution.

**Member responsibilities:** Member libraries are encouraged to provide and promote interlibrary loan services to their users. Member libraries are encouraged to send staff to SCKLS sponsored continuing education activities or request on-site training. Member libraries are encouraged to know and follow state and national ILL protocols and applicable policies and procedures for interlibrary loan service. Member libraries are encouraged to apply for SCKLS Book Discussion Matching Grants.

### **Rotating Book Service**

**Definition of service:** Every seven weeks, the Rotating Book Service selects and provides public and academic member libraries with loans of westerns, romances, mysteries, large print books, popular fiction, non-fiction and audiocassettes. Materials provided by the rotating books service supplement the collections of public and academic member libraries.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs (Rotating Book Service)**

**Staff and resources:** One full-time staff; one half-time staff and one half-time driver. A rotating book van is used to make deliveries. In 2006, a garage will be constructed for the delivery van.

**Service guidelines:** SCKLS will provide a collection of popular materials to public and academic member libraries. School library members are not eligible for the service.

**Member responsibilities:** Member libraries agree to box rotating book collections prior to the delivery of their scheduled rotation. Member libraries agree to meet the rotating book driver and van at their library according to the rotating books schedule and to facilitate the exchange of materials.

### **Technical Services**

**Definition of service:** Processing services include assistance with ordering, cataloging and processing of library materials as well as discounts on supplies for member libraries. Ordering is primarily conducted using Baker & Taylor Online (BTOL). However, in 2006, SCKLS negotiated a vendor relationship with Ingram Library Services. Catalog card sets and Marc records are provided using OCLC, the Online Center for Library Cataloging. Bulk purchase allows for the resale of discounted processing supplies to member libraries. Library materials processed through SCKLS are included in the Kansas Library Catalog through OCLC, Baker & Taylor and Ingram. SCKLS answers questions and advises member libraries regarding acquisition, cataloging and processing of library materials.

**Staff and resources:** One half-time staff. SCKLS provides access to OCLC, Books-in-Print and other acquisitions and cataloging resources.

**Service guidelines:** SCKLS provides processing services including assistance with ordering, cataloging and processing of library materials as well as discounts on supplies for member libraries. SCKLS maintains access to OCLC and advises on the addition and deletion of bibliographic records to the Kansas Library Catalog. Retrospective conversion of library materials is not provided.

**Member responsibilities:** Member libraries may use the processing services of SCKLS, their own processing services or other service providers. Deletion of bibliographic records from the Kansas Library Catalog is the responsibility of member libraries.

### **Youth Services**

**Definition of service:** A consultant is available to assist librarians with all aspects of service to children and young adults. Consulting includes collection development such as book selection and weeding, workshops and the annual Summer Reading Program. In 2004, a Children's Puppet Play Resource Collection was established. In 2006, Summer Reading Program Grants were begun.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2007**

## **Section II, Services and Programs (Youth Services)**

**Staff and resources:** SCKLS employs a full-time youth services' consultant to provide assistance in services to children and young adults. Kits in the Children's Puppet Play Resource Collection are available for loan. Mystery Notebooks to use with young people in grades 3 to high school are also available to SCKLS members.

**Service guidelines:** SCKLS provides assistance to member libraries in the development and evaluation of programs for children and young adults, collection development, storytelling activities and workshops to promote continuing education and training. SCKLS organizes and facilitates the annual Summer Reading Program.

**Member responsibilities:** SCKLS member libraries are encouraged to participate in training activities and to work with other agencies within the community who also provide services to children and youth. Member libraries may schedule use of resources in the Children's Puppet Play Collection and Mystery Notebooks.

SCKLS provides eligible full-time employees health insurance, Kansas Public Employees Retirement System, deferred compensation, medical reimbursement and other benefits.

In 2005, SCKLS reduced staff by three F.T.E. The Acquisition Services position was eliminated and duties of that position were transferred to the Processing/Outreach Specialist. With the transfer of the SCKLS Talking Books Service to the Emporia State Talking Books Headquarters in October 2005, staff was reduced by an additional two F.T.E. positions. In 2005, SCKLS continued to budget for salary and benefits in the amount of \$33,000-\$43,000 for an open position. A recent needs assessment of SCKLS member libraries did not warrant the creation of a permanent full-time position. Instead the work of the Special Projects Librarian and new Library Technology Intern will be funded from the open salary position. Staffing needs will continue to be evaluated on an annual basis. In 2007, up to 3% will be available for salary increases for staff based on individual merit and performance of their job duties.
