## **Section II, Service and Programs**

### **SCKLS Mission Statement**

The mission of the South Central Kansas Library System is to assist member libraries to provide excellent service to their communities. SCKLS provides grants, consulting, continuing education and cost-effective support services to its member libraries.

### **SCKLS Goals and Objectives**

The general goals of SCKLS are as follows:

- 1. Facilitate access for all SCKLS residents to library resources and services.**
- 2. Provide assistance in the continuous development of each member library.**
- 3. Encourage and assist interlibrary cooperation and resource sharing.**

### **SCKLS Background**

SCKLS completed a system-wide planning process during 2002 and will begin a new system-wide planning process in Fall 2008. In October 2003, the SCKLS Bylaws were updated. In 2004, a full time System Director was employed. Major service improvements in staffing during 2004-2008 have included the employment of a Technology Specialist, Administrative Specialist and Technology Development Consultant. In 2005, SCKLS acquired a new Training Facility and Offices that allowed for the improvement and expansion of services especially in the areas of training and meetings. Facility use increased 53% from 2006 to 2007 from 935 individuals to 1,431.

During late 2005, SCKLS conducted a Rotating Books Service Survey and its recommendations included establishing new collections for books on compact disc and Spanish language materials. In 2006, SCKLS received Internal Revenue Service 501 (c) 3 recognition for its South Central Kansas Library Foundation which assists SCKLS and member libraries to obtain increased grant funding and vendor discounts. Since September 2006, SCKLS has conducted a quarterly (BLaST) Basic Skills Certification Program for interested member librarians and library board members. Beginning in 2006, SCKLS began providing Summer Reading Program Grants for the 75 public libraries and school districts that offer an annual program.

In early 2006, SCKLS conducted a needs assessment of its member public, academic, school and special libraries. Ninety-four per cent of the 110 respondents gave an overall rating to SCKLS services as "excellent"; 6% said "good"; and no respondents rated SCKLS as "needs improvement." Individual recommendations for specific service improvements from the needs assessment continue to be incorporated into the SCKLS Annual Plan.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2009**

## **Section II, Services and Programs**

SCKLS was recognized for a perfect audit with no reportable conditions in 2006. Since 2006, SCKLS has provided an internship program for a graduate library and information management student. In 2006, SCKLS received nearly \$102,000 for a Library Service and Technology Act (LSTA) Grant for "Project Automate @ SCKLS" and 12 small public libraries were operational by May 1, 2007.

Eighty-seven SCKLS member public and academic libraries receive grants-in-aid for basic library service, service to library users outside of their taxing district or academic institution and support for interlibrary loan resource sharing. In April 2007, the SCKLS System Board authorized recommendations that included a 9% increase in the base grants for member public and academic libraries as well as a new grant-in-aid program for school and special libraries beginning in Fall 2008. The new grant-in-aid program will partially compensate school and special libraries that annually provide 50 or more interlibrary loans to other libraries. In 2007, SCKLS doubled the amount of funds available in the Automation Matching Grants to \$50,000 and increased its General Technology Matching Grants program by \$5,000. In addition, a new Library Programming Grant program was started in July 2007.

### **SCKLS Current Year Goals**

The process for a new Five-Year Evaluation of SCKLS services will begin in Fall 2008 and since SCKLS has conducted extensive surveys of its member libraries regarding its Rotating Books Service, Needs Assessments and Grants-in-aid Program during the past two years, SCKLS will focus in 2008 on fully implementing recommendations from those planning and evaluation efforts. Based on its 2006 Needs Assessment of Member Libraries, SCKLS hired a new Technology Development Consultant in March 2008. This new position will provide technology training for member libraries understand and assist with web design and development to improve library services.

### **SCKLS 2009 Goals**

A new Five-Year Evaluation of SCKLS services will be conducted during Fall 2008 and recommendations from that process will serve as the bases for 2009 and future goals. Recommendations from the planning process will be announced in early 2009. SCKLS has used a process of open communication and problem-solving with member libraries and staff to create transitions in service and organizational structure. As evidenced by its continuous planning and evaluation, surveys of member libraries, and annual goal setting, SCKLS has demonstrated its commitment to meeting the ongoing and changing needs of its member libraries.

## **Section II, Services and Programs**

### **State Library / Regional Library System Goals**

When federal funds became available for regional library development in 1965, seven regional library systems were established by the Kansas Legislature. The system law (KSA 75-2548 and following) was amended in 1968 by the legislature to allow school and academic libraries to participate in regional systems of cooperating libraries. The law permitted the systems to levy a tax on property within the boundaries of the system that is not taxed for the support of a public library. Librarians and trustees in each region meet annually to determine programs and budgets. The systems continuously develop services to meet the needs of their member libraries.

The State Library of Kansas and Regional Library Systems cooperate and collaborate to improve library services to all the citizens of Kansas. The State Library and Regional Library System Shared Goals for 2009 are as follows:

#### **Goal #1**

**Automation and Courier Service: Kansans have direct and rapid access to all Kansas library collections.**

- Libraries will have an Integrated Library Management (ILS) system that meets the state standards for federated searching (z39.50) and user authentication (NCIP; SIP2)
- Libraries will offer self-initiated interlibrary loan or direct borrowing from other libraries
- A statewide courier service will deliver materials among Kansas libraries

Action steps:

1. Each regional library system will develop a plan for a system-wide integrated library system by December 31, 2008

### **Grants-in-Aid**

**Definition of service:** Major funding for services and programs of the South Central Kansas Library System comes from a tax on all property outside of established public library districts in Barber, Butler, Cowley, Harper, Harvey, Kingman, McPherson, Reno, Rice, Sedgwick, Stafford and Sumner counties. The SCKLS Grant-in-Aid program partially compensates the 73 public library members of SCKLS for services they provide to registered library borrowers who are not residents of their public library tax district. In the

# SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2009

## Section II, Service and Programs (Grants-in-Aid)

case of the 14 eligible academic library members of SCKLS, the Grant-in-Aid program compensates them for registered library borrowers who are not enrolled as students or who are not employees of their institution. Beginning in Fall 2008, school and special libraries that provide at least 50 or more interlibrary loans annually will be eligible for a grant to partially reimburse them for their resource sharing. In addition to the grants-in-aid programs for public, academic and school libraries, SCKLS initiated Library Programming Grants for member libraries in June 2007.

Three factors comprise the formula for the distribution of grants-in-aid to 73 public and 14 eligible academic member libraries:

- (1) a base grant calculated from the population of the library's service area
- (2) a supplemental grant calculated on the basis of the number of registered borrowers outside the library's taxing district or academic institution, and
- (3) a supplemental grant calculated on the number of interlibrary loans provided to other libraries.

**Staff and resources:** The Director and Administrative Specialist administer the grants-in-aid program.

**Service guidelines:** SCKLS service population categories and base grants are as follows:

<u>Category</u>	<u>Population</u>	<u>Base Grant</u>
Gateway	Fewer than 500 service population	\$ 2,756
Linking	500 – 1,000 service population	\$ 3,978
Service Center	1,001 – 2500 service population	\$ 4,736
Major Service Center I	2,501- 10,000 service population	\$ 6,770
Major Service Center II	10,001 – 25,000 service population	\$13,828
Major Resource Center I	25,001 – 100,000 service population	\$40,808
Major Resource Center II	More than 100,000 service population	\$66,462

After base grants are calculated, the amount of funds remaining from the total grants-in-aid budget for the year are calculated as supplemental grants. Supplemental grants are calculated on a 50/50 basis for the number of registered borrowers outside the library's taxing district or academic institution and the annual number of interlibrary loans a library has provided to other libraries. SCKLS recommends grants-in-aid be spent by the end of the calendar year in which they are received. SCKLS provides partial reimbursement to public and academic libraries for interlibrary loans and will begin a new School and Special Libraries Interlibrary Loan partial reimbursement grant program in Fall 2008.

**Member responsibilities:** As a condition for SCKLS membership, participating libraries agree to provide a free library card and free interlibrary loan services, subject to local borrowing rules, to any individual who requests them and who lives within the 12 county region of SCKLS. Member libraries agree to update or remove inactive borrower registration records every three years. Members are responsible to spend funds according to guidelines and to complete such reports as may be required by SCKLS and the Kansas State Library, Topeka.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2009**

## **Section II, Services and Programs**

### **Interlibrary Loan**

**Definition of service:** Interlibrary loan is the state and nation-wide sharing of library materials. Subject to local borrowing rules, a resident of the 12-county SCKLS taxing area may initiate an interlibrary loan request free-of-charge from any SCKLS member library. State and nation-wide sharing of library materials is made possible through the Online Computer Library Center (OCLC), Kansas Library Catalog (KLC), Kansas Information Circuit Network (KICNET).

The KLC, a statewide catalog of library holdings, is used to locate materials that are available in Kansas. The OCLC system is also used to locate materials nationwide for member libraries.

SCKLS maintains a Professional Collection, Children's Preview Collection and Book Discussion Collection for use by member libraries. The Professional Collection and Book Discussion Collections are available through interlibrary loan.

**Staff and resources:** SCKLS provides one half-time position and access to OCLC and KICNET for member libraries that do not have access to these services.

**Service guidelines:** SCKLS provides interlibrary loan services and encourages resource sharing among all libraries. SCKLS offers training and support for the delivery of these services to each member library. SCKLS provides grants-in-aid to SCKLS member public and academic libraries to assist in the partial reimbursement of providing interlibrary loan service to borrowers outside of their taxing district or academic institution.

**Member responsibilities:** Member libraries are encouraged to provide and promote interlibrary loan services to their users. Member libraries are encouraged to send staff to SCKLS sponsored continuing education activities or request on-site training. Member libraries are encouraged to know and follow state and national ILL protocols and applicable policies and procedures for interlibrary loan service.

### **Rotating Book Service**

**Definition of service:** Every seven weeks, the Rotating Book Service selects and provides public and academic member libraries with loans of westerns, romances, mysteries, large print books, popular fiction, non-fiction, audiocassettes, books on compact disc and Spanish language books. Materials provided by the rotating books service supplement the collections of public and academic member libraries. In addition to Rotating Books, a compact disc cleaner and repair machine is available for member libraries to use at SCKLS.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2009**

## **Section II, Services and Programs (Rotating Book Service)**

**Staff and resources:** One full-time staff; one half-time staff and one half-time driver. A rotating book van is used to make deliveries.

**Service guidelines:** SCKLS will provide a collection of popular materials to public and academic member libraries. School library members are not eligible for the service.

**Member responsibilities:** Member libraries agree to box rotating book collections prior to the delivery of their scheduled rotation. Member libraries agree to meet the rotating book driver and van at their library according to the rotating books schedule and to facilitate the exchange of materials.

### **Technical Services**

**Definition of service:** Processing services include assistance with ordering, cataloging and processing of library materials as well as discounts on supplies for member libraries. Ordering is primarily conducted using Baker & Taylor Online (BTOL). Catalog card sets and Marc records are provided using OCLC, the Online Center for Library Cataloging. Bulk purchase allows for the resale of discounted processing supplies to member libraries. Library materials processed through SCKLS are included in the Kansas Library Catalog through OCLC and Baker & Taylor. SCKLS answers questions and advises member libraries regarding acquisition, cataloging and processing of library materials.

**Staff and resources:** One half-time staff. SCKLS provides access to OCLC, Books-in-Print and other acquisitions and cataloging resources.

**Service guidelines:** SCKLS provides processing services including assistance with ordering, cataloging and processing of library materials as well as discounts on supplies for member libraries. SCKLS maintains access to OCLC and advises on the addition and deletion of bibliographic records to the Kansas Library Catalog. Retrospective conversion of library materials is not provided.

**Member responsibilities:** Member libraries may use the processing services of SCKLS, their own processing services or other service providers. Deletion of bibliographic records from the Kansas Library Catalog is the responsibility of member libraries.

### **Youth Services**

**Definition of service:** A consultant is available to assist librarians with all aspects of service to children and young adults. Consulting includes collection development such as book selection and weeding, workshops and the annual Summer Reading Program. In 2004, a Children's Puppet Play Resource Collection was established. In 2006, Summer Reading Program Grants were begun.

# **SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2009**

## **Section II, Services and Programs (Youth Services)**

**Staff and resources:** SCKLS employs a full-time youth services' consultant to provide assistance in services to children and young adults. One half-time Special Projects Librarian provides program support. Kits in the Children's Puppet Play Resource Collection are available for loan. Mystery Notebooks to use with young people in grades 3 to high school are also available to SCKLS members. A Children's Preview Collection is available at the SCKLS Training Facility and Offices. Summer Reading Program grants are available. Since 2006, SCKLS has provided an annual "I Love to Read" program which features notable books for youth and promotes intergenerational reading.

**Service guidelines:** SCKLS provides assistance to member libraries in the development and evaluation of programs for children and young adults, collection development, storytelling activities and workshops to promote continuing education and training. SCKLS organizes and facilitates the annual Summer Reading Program.

**Member responsibilities:** SCKLS member libraries are encouraged to participate in training activities and to work with other agencies within the community who also provide services to children and youth. ## **Section IV, SCKLS System Board Representatives**

### **SCKLS System Board**

The governing body of the South Central Kansas Library System is the System Board. The System Board consists of one representative appointed by the governing body or administrator of each participating public, academic, school and special library. In addition, the System Board is made up of the Executive Committee and a Governor's Appointee from each of the twelve counties in the SCKLS service area.

Each library representative is eligible to serve on the System Board until the governing board or administrator of the participating library, college, university or school district appoints a replacement. The name of each member library's representative should be communicated to SCKLS by June 1 of each year.

The System Board has the authority to pass upon the major policies and philosophy of operation of the system as recommended by the Executive Committee, adopt the tentative annual budget and program of services, elect the Executive Committee and to delegate the Executive Committee such powers and duties as the board may deem appropriate subject to any restriction imposed by law.

The System Board Representative receives all official SCKLS communications related to System Board matters and is eligible to vote on issues that affect the SCKLS membership as a whole. The System Board representative should be interested and be able to attend the SCKLS Semi-annual meetings held the last Monday in April and October.

The following pages identify System Board representatives. **To update contact information for your System Board Representative, please e-mail Jeanie Armour, SCKLS Special Projects Librarian, [jeanie@sckls.info](mailto:jeanie@sckls.info).**
