Section II, Service and Programs

SCKLS Mission Statement

The mission of the South Central Kansas Library System is to assist member libraries to provide excellent service to their communities. SCKLS provides grants, consulting, continuing education and cost-effective support services to its member libraries.

SCKLS General Goals

The general goals of SCKLS are as follows:

- 1. Facilitate access for all SCKLS residents to library resources and services.**
- 2. Provide assistance in the continuous development of each member library.**
- 3. Encourage and assist interlibrary cooperation and resource sharing.**

Policy Statements

In January 2009, the Executive Committee considered and authorized the following policy statements which serve as bases for the services and grants that SCKLS offers as well as for its governance structure. These policy statements are presented to give member librarians and others a better understanding of how SCKLS seeks to create equity and allocate limited resources in serving its diverse public, school, academic and special library membership:

- Whenever possible, new SCKLS grants and services should potentially benefit all types of member libraries.
- SCKLS is a multi-type library system serving in some form the needs of all its public, school, academic and special members. SCKLS does not provide grants and services exclusively for one type or size of library. SCKLS provides grants and services to and through its member libraries.
- School districts and other public, academic and special libraries with multiple library sites are recognized as a single entity for membership purposes.
- For eligibility, all SCKLS grants require evidence of local effort either in the form of a cash match or the provision of resource-sharing services or programming.
- For technology matching grants, a member library may receive one grant a year. For automation matching grants, a member library may receive one grant every three years.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Service and Programs

- For continuing education grants, any member librarian, staff, public library board member or Friend is eligible to receive up to \$750 a year reimbursement for eligible continuing education training or classes.
- For interlibrary loan resources sharing grants, any individual school or special member library site that provides at least 50 interlibrary loans annually is eligible for a grant.
- Public and academic library members receive grants-in-aid on the basis of population, interlibrary loans provided to other libraries and the number of registered borrowers served outside their library or institution. In addition, public and academic member libraries receive grants-in-aid because they are open more hours and are more accessible to the general public than school and special library members.
- Public and academic library members are eligible for the Rotating Collections service because they are open more hours and are more accessible to the general public than school library members. Special library members are eligible for the Rotating Collections service because there only three special libraries that use the program and they do not constitute a major demand on the limited resources.
- Continuing Education events and programs are scheduled with consideration to audience, location, time, modes of presentation and other applicable factors to reach target audiences.
- Special library members comprise 3.4% of the total SCKLS membership and while there is no position on the Executive Committee exclusively for special library members, there are two at-large positions for which special library members and others may seek election.

State Library / Regional Library System Shared Goals

The State Library of Kansas, Topeka and the seven Regional Library Systems cooperate and collaborate to improve library services to all the citizens of Kansas. The State Library and Regional Library System Shared Goals are found in **Appendix A**.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Services and Programs

SCKLS Current Year and 2011 Year Goals

In 2008, the SCKLS contracted with the Office of Educational Innovation and Evaluation (OEIE) at Kansas State University, Manhattan to assist in an evaluation and planning process. OEIE facilitated a strategic planning process with member library participants that indicated overall satisfaction with SCKLS. Summaries and reports of the survey and strategic planning exercise can be found at the SCKLS website: www.sckls.info

Since 2009, the changed economy has been critical to evaluating and planning SCKLS grants and services. In December 2008 and 2009, SCKLS announced its continued financial commitment to its existing seven grant programs despite continuing reductions in funding from state and regional sources. Member libraries give high priority to SCKLS grant programs. Using its Services Contingency Line Item, SCKLS was able to establish a new Resource Sharing Grant Program for public and academic libraries in 2009. SCKLS grants, which total \$1,187,000 for 2010, benefit public, school, academic and special member libraries.

Despite reduced income for 2011 and because of their importance to member libraries, SCKLS will fund all its 2011 grant programs with no reductions in existing amount as well as continue the new \$50,000 Resources Sharing Grants for Public and Academic Libraries and increase the Grants-in-aid to Public and Academic Libraries by \$7,000 and increase the Resource Sharing Grants for School and Special Libraries by \$5,000.

Major goals for 2011 are as follows:

1. Continue to assist and position SCKLS and member libraries to address the changed economy.
2. Establish a basic training program for School Library Media staff.
3. Provide Rotating Collections visits four times a year rather than seven to reduce program costs and risks.
4. Continue to evaluate and implement suggestions for improvements to grants and services on the basis of ongoing evaluation and planning.

In 2009 and 2010 SCKLS has been able to restrict expenditures by reducing overall spending; create salary savings from open positions; defer purchase of replacement vehicles and reduce the General Fund transfer to its Capital Improvement Fund. Staff have reduced expenditures in their respective areas of responsibility. SCKLS has focused on the changed economy and how it affects member libraries. During 2009, a number of continuing education programs related to the changed economy were offered and an updated list of vendor discounts for member libraries has been added to the SCKLS website.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Services and Programs (Current and 2011 Year Goals)

If the economy improves and adequate funding is available in 2012, SCKLS may rehire a Training and Web Development Consultant and establish a new School Library Media Consultant position. As evidenced by its continuous planning and evaluation, surveys of member libraries and annual goal setting, SCKLS has demonstrated it will address the ongoing and changing needs of all its member libraries.

Section II, Services and Programs, (Continuing Education)

Continuing Education

Definition of service: SCKLS member librarians, trustees, Friends and volunteers can participate in a wide range of workshops and training programs. Workshops are offered each year on a variety of topics and in locations throughout the region. Topics dealing with basic skills as well as trends and innovations in librarianship are covered. New librarians receive an on-site orientation to SCKLS services from the Continuing Education Coordinator. The Director provides orientation and training for new public library trustees. Staff provide additional training in their areas of expertise as requested. A Continuing Education Committee advises the CE Coordinator. The Continuing Education Support Specialist works in cooperation with the CE Coordinator. The Training and Web Development Consultant assists with training and web design.

Hallmarks of the annual SCKLS continuing education program include the following:

Public Library Funding and Governance Workshops
Summer Reading Program for Youth
Database Trainings
Book Repair Workshops
Annual November Training Day
Quarterly Basic Skills Training (BLaST) Program

To encourage participation in continuing education activities other than those offered by SCKLS, Continuing Education Reimbursement Grants of up to \$750 per member librarian, trustee or Friend per year help pay registration and tuition costs. Eligibility for the program is open to all member libraries subject to grant guidelines. A new School Library Media staff basic training program is being planned for 2011.

Staff and resources: The full-time CE Coordinator, with the assistance of one half-time Continuing Education Support Specialist as well as SCKLS consultants and staff, are responsible for development and implementation of the continuing education program and other training events. The CE Coordinator administers Continuing Education Reimbursement and Library Programming Grants. A Professional Collection is maintained and available for circulation or by interlibrary loan.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Service and Programs (Facility and Grants-in-Aid)

Facility

Definition of Service: The SCKLS facility offers a large training / meeting room that seats 40-60 as well as three small meeting rooms that seat 16 each. A 16 person lab is equipped for web videoconferencing and another is set up for computer training. SCKLS member libraries and library-related groups are encouraged to use the SCKLS facility free-of-charge for meetings and training.

Staff and resources: The CE Coordinator, Human Resources and Financial Specialist and Training and Web Development Consultant coordinate and schedule use of the four meeting and training rooms.

Service guidelines: SCKLS member libraries and library-related groups may use the SCKLS facility for meetings and training. SCKLS will assist in coordinating refreshments and catering for meetings.

Member responsibilities: Member libraries and library-related groups are encouraged to schedule meetings and trainings at the SCKLS facility. SCKLS reserves the right of meeting room use for SCKLS-sponsored events.

Grants-in-Aid

Definition of service: Primary funding for services and programs of the South Central Kansas Library System comes from a tax on all property outside of established public library districts in Barber, Butler, Cowley, Harper, Harvey, Kingman, McPherson, Reno, Rice, Sedgwick, Stafford and Sumner counties. The SCKLS Grant-in-Aid program, which totals \$982,000 annually, partially compensates the 73 public library members of SCKLS for services they provide to registered library borrowers who are not residents of their public library tax district.

In the case of the 14 eligible academic library members of SCKLS, the Grant-in-Aid program compensates them for registered library borrowers who are not enrolled as students or who are not employees of their institution. In addition to the grants-in-aid programs for public, academic, school and special libraries, SCKLS initiated Library Programming Grants for member libraries in June 2007 and new Resource Sharing Grants for school and special libraries in 2008 and for public and academic member libraries in 2009. Non-courier participation is not a legitimate basis for denial of ILL services.

Three factors comprise the formula for the distribution of grants-in-aid to 73 public and 14 eligible academic member libraries:

- (1) a base grant calculated from the population of the library's service area
- (2) a supplemental grant calculated on the basis of the number of registered borrowers outside the library's taxing district or academic institution, and
- (3) a supplemental grant calculated on the number of interlibrary loans provided to other libraries.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Services and Programs (Grants-in-aid and Interlibrary Loan)

Staff and resources: The Director and Human Resources and Financial Specialist administer the grants-in-aid program.

Service guidelines: SCKLS service population categories and base grants are as follows:

<u>Category</u>	<u>Population</u>	<u>Base Grant</u>
Gateway	Fewer than 500 service population	\$ 2,756
Linking	500 – 1,000 service population	\$ 3,978
Service Center	1,001 – 2500 service population	\$ 4,736
Major Service Center I	2,501- 10,000 service population	\$ 6,770
Major Service Center II	10,001 – 25,000 service population	\$13,828
Major Resource Center I	25,001 – 100,000 service population	\$40,808
Major Resource Center II	More than 100,000 service population	\$66,462

After base grants are calculated, the amount of funds remaining from the total grants-in-aid budget for the year are calculated as supplemental grants. Supplemental grants are calculated on a 50/50 basis for the number of registered borrowers outside the library’s taxing district or academic institution and the annual number of interlibrary loans a library has provided to other libraries. SCKLS recommends grants-in-aid be spent by the end of the calendar year in which they are received. SCKLS provides partial reimbursement to public and academic libraries for interlibrary loans and began a new School and Special Libraries Interlibrary Loan Resource Sharing Grant in Fall 2008.

Member responsibilities: As a condition for SCKLS membership, participating libraries agree to provide a free library card and free interlibrary loan services, subject to local borrowing rules, to any individual who requests them and who lives within the 12 county region of SCKLS. Member libraries agree to update or remove inactive borrower registration records every three years. Members are responsible to spend funds according to guidelines and to complete such reports as may be required by SCKLS and the State Library of Kansas, Topeka.

Interlibrary Loan

Definition of service: Interlibrary loan is the state and nation-wide sharing of library materials. Subject to local borrowing rules, a resident of the 12-county SCKLS taxing area may initiate an interlibrary loan request free-of-charge from any SCKLS member library. State and nation-wide sharing of library materials is made possible through the Online Computer Library Center (OCLC), Kansas Library Catalog (KLC), and Kansas Information Circuit Network (KICNET). The KLC, a statewide catalog of library holdings, is used to locate materials that are available in Kansas. The OCLC system is used to locate materials nationwide for member libraries.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Services and Programs (Interlibrary Loan and Rotating)

SCKLS maintains a Professional Collection, Children's Preview Collection and Book Discussion Collection for use by member libraries. The Professional Collection and Book Discussion Collections are available onsite and through interlibrary loan.

Staff and resources: SCKLS provides one half-time position and access to OCLC and KICNET for member libraries that do not have access to these services.

Service guidelines: SCKLS provides interlibrary loan services and encourages resource sharing among all libraries. SCKLS offers training and support for the delivery of these services to each member library. SCKLS provides grants-in-aid to SCKLS member public, academic, school and special libraries to assist in the partial reimbursement of providing interlibrary loan service to borrowers outside of their taxing district or academic institution.

Member responsibilities: Member libraries are encouraged to provide and promote interlibrary loan services to their users. Member libraries are encouraged to send staff to SCKLS sponsored continuing education activities or request on-site training. Member libraries are encouraged to know and follow state and national ILL protocols and applicable policies and procedures for interlibrary loan service.

Rotating Collections Service

Definition of service: Quarterly, the Rotating Collections Service selects and provides public and academic member libraries with loans of westerns, romances, mysteries, large print books, popular fiction, non-fiction, audiocassettes, books on compact disc and Spanish language books. Materials provided by the Rotating collections service supplement the collections of public and academic member libraries. A compact disc cleaner and repair machine is available for member libraries to use at SCKLS.

Staff and resources: One thirty-hour-a-week , one fifteen-hour-a-week staff and one ten-hour-a week driver. A rotating collections van is used to make deliveries.

Service guidelines: SCKLS will provide a collection of popular materials to public, academic and special member libraries. School library members are not eligible for the service.

Member responsibilities: Member libraries agree to box rotating collections prior to the delivery of their scheduled rotation. Member libraries agree to meet the rotating collections driver and van at their libraries according to the rotating collections schedule and to facilitate the exchange of materials.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Services and Programs (Technical and Youth)

Technical Services

Definition of service: Processing services include assistance with cataloging of library materials as well as discounts on supplies for member libraries. Bulk purchase allows for the resale of discounted processing supplies to member libraries. Ordering is conducted by member libraries primarily through Baker & Taylor Online (BTOL). Catalog card sets and Marc records are provided using OCLC, the Online Center for Library Cataloging. SCKLS answers questions and advises member libraries regarding acquisition, cataloging and processing of library materials.

Staff and resources: One half-time and one fifteen-hour-a-week staff. SCKLS provides access to OCLC, Books-in-Print and other acquisitions and cataloging resources.

Service guidelines: SCKLS provides technical services including assistance with cataloging of library materials as well as discounts on supplies for member libraries. SCKLS maintains access to OCLC and advises on the addition and deletion of bibliographic records to the Kansas Library Catalog. Retrospective conversion of library materials is not provided.

Member responsibilities: Member libraries may use the technical services of SCKLS, their own technical services or other service providers and vendors. Ordering and processing are the responsibility of member libraries as is the deletion of bibliographic records from the Kansas Library Catalog.

Youth Services

Definition of service: A consultant is available to assist librarians with all aspects of service to children and young adults. Consulting includes collection development such as book selection and weeding, workshops and the annual Summer Reading Program. In 2004, a Children's Puppet Play Resource Collection was established. In 2006, Summer Reading Program Grants were begun. If the economy improves and there is sufficient funding for 2012, a new School Library Media Consultant position will be established. The School Library Media Consultant will be responsible for providing a program of services to SCKLS school district member library media specialists.

Staff and resources: SCKLS employs a full-time youth services' consultant to provide assistance in services to children and young adults. One half-time Continuing Education Support Specialist provides support for the SCKLS Summer Reading Program. Kits in the Children's Puppet Play Resource Collection are available for loan. Mystery Notebooks to use with young people in grades 3 to high school are also available to SCKLS members. A Children's Preview Collection is available at the SCKLS Training Facility and Offices. Summer Reading Program grants are available.

SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section II, Services and Programs (Youth)

Service guidelines: SCKLS provides assistance to member libraries in the development and evaluation of programs for children and young adults, collection development, storytelling activities and workshops to promote continuing education and training. SCKLS organizes and facilitates the annual Summer Reading Program.

Member responsibilities: SCKLS member libraries are encouraged to participate in training activities and to work with other agencies within the community who also provide services to children and youth. SOUTH CENTRAL KANSAS LIBRARY SYSTEM - 2011

Section IV, SCKLS System Board Representatives

SCKLS System Board

The governing body of the South Central Kansas Library System is the System Board. The System Board consists of one representative appointed by the governing body or administrator of each participating public, academic, school and special library. In addition, the System Board is made up of the Executive Committee and a Governor's Appointee from each of the twelve counties in the SCKLS service area.

Each library representative is eligible to serve on the System Board until the governing board or administrator of the participating library, college, university or school district appoints a replacement. The name of each member library's representative should be communicated to SCKLS by June 1 of each year.

The System Board has the authority to pass upon the major policies and philosophy of operation of the system as recommended by the Executive Committee, adopt the tentative annual budget and program of services, elect the Executive Committee and to delegate the Executive Committee such powers and duties as the board may deem appropriate subject to any restriction imposed by law.

The System Board Representative receives all official SCKLS communications related to System Board matters and is eligible to vote on issues that affect the SCKLS membership as a whole. The System Board representative should be interested and be able to attend the SCKLS Semi-annual meetings held the last Monday in April and October.

The following pages identify System Board representatives. **To update contact information for your System Board Representative, please e-mail Elizabeth Rankin, Continuing Education Support Specialist, elizabeth@sckls.info.**

Appendix A, State Library / Regional Library System Shared Goals

State Library / Regional Library System Shared Goals for 2011

When federal funds became available for regional library development in 1965, seven regional library systems were established. That year the Kansas Legislature passed a bill which permitted the organization of the seven regional systems of cooperating libraries. The system law (KSA 75-2548 and following) was amended in 1968 by the legislature to allow school and academic libraries to participate in regional systems of cooperating libraries. The law permitted the systems to levy a tax on property within the boundaries of the system that is not taxed for the support of a public library. Librarians and trustees in each region meet annually to determine programs and budgets. The systems continuously develop services to meet the needs of their member libraries. The State Library of Kansas and Regional Library Systems cooperate and collaborate to improve library services to all the citizens of Kansas. The State Library and Regional Library System Shared Goals for the calendar year 2011 are as follows:

Goal #1

Access: Kansans have direct and rapid access to all Kansas library collections.

- Libraries will have an Integrated Library Management (ILS) system that meets the state standards for federated searching (z39.50) and user authentication (NCIP; SIP2)
